

Therapeutic Play Skills Certificate

Limerick

Starting 27th February 2018

Therapeutic Play Skills is a Level 6 Minor Award (6N4705) offered on a part time, blended learning basis which will equip the learner with the relevant knowledge, skill and competence to plan, deliver and evaluate both group and individual play based interventions. It is an experientially based learning programme with an additional online component. Participants will engage in creative activities that will enhance personal development, develop insight and awareness, and contribute to understanding, and meeting, the needs of all children including those living in adverse circumstances. Directive and non-directive therapeutic approaches will be addressed.

Programme Aims

- Equip participants with skills to plan and deliver, individual and group, developmentally appropriate play interventions with children and young people;
- Enable learners to focus on meeting children's specific needs and facilitate therapeutic interventions in the context of their holistic development using play;
- Enable participants to use play as a therapeutic and developmental medium in a wide range of settings including educational/learning, residential and day care, recreational and hospital;
- Equip the learner with the knowledge, skill and competence to use play and its developmental, educational and therapeutic applications.

This programme is suitable for those who:

- Have a particular interest in the therapeutic powers of play and wish to acquire skills to facilitate children and young people to overcome negative influences and circumstances in their lives.
- Wish to attain a recognized qualification and embark on, or enhance, a professional career in working with children in a range of settings.
- Wish to further their own knowledge and understanding of play and its developmental, educational and therapeutic applications.
- Would like to upskill to enhance employment prospects and/or job satisfaction and promotion opportunities

This award will also be of interest to holders of the Certificate in Early Childhood Care and Education and to others including teachers, therapists, social workers etc whose professional life brings them into regular contact with at-risk children and children in crisis. It is also suitable for a broad range of childcare staff in community based or residential settings.

To access this programme learners should have reached the standards of knowledge, skills and competence associated with level 5 on the National Framework of Qualifications. This may have been achieved through a formal qualification or through relevant life and work experiences.

Cost: €680 (Payment plan options available on request)

Venue: CARI Foundation, Ennis Road, Limerick

Note: This programme runs at a number of locations around Ireland.
