Payment Plans for Therapeutic Play Skills Certificate

The course fee is €700 and is inclusive of registration and QQI fees. Liability for full course fee arises at the beginning of the course.

A non-refundable application fee of €50 is due at application stage. This is deducted from the overall course fee. A further non-refundable deposit of €260 is payable to secure your place – this payment is due within 2 weeks of being offered a place on the course. If the course is starting in less than two weeks this payment is due immediately. CTC cannot guarantee holding any offer open should the deposit not be received within the designated time.

We recognize that not everyone will be able to pay in full at registration stage, so an instalment payment plan is available to facilitate such learners. Those who choose a payment plan that delays full payment of course fees pay small additional charges to cover extra administration costs.

Each student is responsible for full payment of course fees, regardless of level of attendance.
